

The Morristown Field Club, founded in 1881, is the third oldest club in New Jersey. In early years the Club offered tennis, baseball, football, cricket, bowling, ice hockey, and horse shows. In 1941 the Club moved to its current location, dropping all sports except tennis. In the eighties, platform tennis courts and a paddle hut were added.

The Club is a family oriented tennis and platform tennis facility, maintaining twelve tennis courts and four platform tennis courts.

Since joining the New Jersey Tennis League in 1950, the Club has successfully participated in inter-club play. Leagues are active for Men's and Women's tennis from April – June and then again during September – October in the coed "October League." Men's and Women's platform tennis league play is offered from October – February.

Inquiries about membership are welcomed.

# Morristown Field Club

The Club House overlooks six Har-Tru and six red clay tennis courts, while the Paddle Hut overlooks four paddle tennis courts, all surrounded by eleven acres of well manicured lawns and wooded grounds.

The tennis courts are playable from dawn to dusk and the lighted paddle courts are open from dawn to late evening.

## SOCIAL EVENTS

Social events, including an opening day family barbecue, twilight round robins for both tennis and paddle, "Breakfast at Wimbledon," guest pro clinics, and more, take place throughout the year and are well attended by the membership.

## ALL LEVELS OF PLAY

The Morristown Field Club offers a variety of play from the social to the competitive. Many members play on inter-club leagues. The staff at MFC works hard to ensure the right mix of tennis and paddle for all its members, whether it be competitive league play or social events and games. The MFC annually hosts the USTA National Men's Super Senior Tournament.

## INSTRUCTION AND CLINICS

- Instruction at all levels of play
- Clinics
- Private lessons
- Junior Development Program for both tennis and paddle
- Summer children's clinics
- League Play with instruction

## THE MORRISTOWN CLUB

As an added benefit, affiliation with the Morristown Club, a social dining venue, is part of the MFC member privileges; offering lunch, dinner and special events in their beautiful, historic facility.
